## Brands we've partnered with

## How it works

Turn into a connection service here in 4 simple steps.

1

Register as an Affiliate to send your data to the Movinghub CRM

2

You receive a unique referring code that will initiate API integration

3

Customize your module with options for documentation and integration

4

Enjoy the Hub! Use your new reporting dashboard to see usage and metrics

## Unique benefits we offer at Movinghub Stay ahead with a solution suited to your customer's needs

### Add your own providers

You can easily enter additional providers at myMarketPlace for your customers to use. It's as simple as creating a listing – your customers will have instant access.

This way you can maintain existing relationships with service providers or choose preferred providers you already know.

---
